President's Message

President: Jennifer Rodriguez

Dear CRC Members,

Happy Spring!

First and foremost, I want to thank all our 2023 sponsors. As we embrace a tough economic market and continue to provide our members with education and experience, we couldn't do it without all of you! As well, our community of members, we are truly grateful for the continued engagement and support. 2023 is going to be a great year for CRC!

We had a great transition meeting in November, we welcomed new leadership members, celebrated those who contributed over the last couple of years and collaborated on many new ideas and initiatives for 2023.

2023 Midwest Relocation Conference was held in Chicago for the first time in 6 years at the end of February. It was great to host in our City! Co-Chairs, Jen Breen and Christina Swank, put together a great event and set the bar high. Thank you to all those who volunteered their time and efforts!

Exciting times for CRC, upcoming events/news:

- The Annual CRP Cram Day is May 9th at Baird and Warner - In-person and virtual option available.
- June Meeting Thursday, June 22nd from 12 - 6 pm at the Lake Forest Club.
 - Keep an eye out for CRC's new look!!
 - We have continued to welcome several new corporate and service members to the organization.

I welcome and encourage all members to get involved with CRC in some capacity, big or small!
As our industry is changing, it's important to continue our growth, relevancy, and success!

Interested? Fill out this form: [get involved with CRC!](#)

As well, please share any thoughts and/or ideas for CRC to consider implementing, we love to collaborate! Feedback is crucial to the success of this organization, and no idea is a bad idea.
Please do not hesitate to reach out to me or another leadership member to make those suggestions.

It's great to be part of CRC!

With Thanks,
Jennifer Rodriguez

Corporate Membership and Engagement

Chair: Jenn Splinter

The first in-person corporate roundtable benchmarking session for CRC in several years occurred in November 2022 at the Q4 CRC meeting at Beam. We had a great showing for the session and aligned on a plan for in-person meetings in 2023. In addition to the two benchmarking sessions for MRC in February, we are looking to meet in September and November for live benchmarking/roundtable. We also revived the CRC LinkedIn group for corporate benchmarking/networking. CRC additionally had over 20 corporates attend MRC benchmarking sessions. Should you wish to get involved in corporate benchmarking/roundtable sessions or have ideas/interest in joining the corporate engagement committee please reach out to Jenn Splinter. The committee meets quarterly with the next meeting scheduled for May 2023.

Thank you!
